

AML ADVISORY COMMITTEE
Minutes
Semi-Annual Meeting
May 24, 2006

A regular meeting of the AML Advisory Committee was scheduled, however due to lack of a quorum of members, no official business of the committee was conducted.

The following members were present: Phil Shelton, UVA College at Wise; Glenn Graham, Natural Resources Conservation Service; and Roger L. Williams, Department of Mines, Minerals and Energy. Also present from the Department of Mines, Minerals and Energy were Richard Davis, and Benny Wampler

Wade Biddix, U.S. Dept. of Agriculture by conference call.

The following members were absent: Bob Penn, Office of Surface Mining; Jerry Baird, Alpha Natural Resources; Eddie Hannah, Lonesome Pine Soil and Water; Gerald Ramsey, Consolidation Coal Company; Carol Doss, Upper Tennessee River Roundtable; and Shannon O'Quinn, Tennessee Valley Authority

Roger Williams and Richard Davis gave a briefing to the group on the Department of Mines, Minerals and Energy's AML Program.

Wade Biddix, NRCS by conference call, gave a briefing to the group on the NRCS Program.

The next meeting of the AML Advisory Committee will be held at the Powell River Project on September 6, 2006.

Roger L. Williams,
DMME Abandoned Mine Land Services Manager
